

LFPD Chief's Report

January 18, 2024

Incidents: 5 this year

Office: Data, up to date. NFIRS and EMS up to date

Membership: 24+ 1 probationary  
1 new EMT, Nick Broda

Apparatus: Lots of end of year repairs  
E 634 hard starting in cold (Diesel, old batteries, glow plugs)  
No update on BME Type IV

Other Agencies: No news

Mutual Aid: MA agreements being signed; unsure how many are completed.

Cost Recovery: Nothing to report

Training: CPR Refresher completed by most people, make up available for some who missed. This is a department requirement

EMS: UCH continuing to supply training

Station 1: Repaired exhaust fan switch

Station 2: Removing Wi-Fi, not working. Will save \$40/mo

Station 3: I need to get overview of the Station proposal to STRATA. Next week?

Station 4: No news

Annex: Requested update from County on availability

Grants: None being written. Things we need are pretty small at this time or no one is granting things we might need. Radios to be considered as a priority after Station 3.

Priorities this year: Finish Support Trailer  
Receive and put in service new Type IV  
Develop/build Station 4
